The human side of cleaning

DURASWEEP 115

Enhance your experience.

All areas, indoor or outdoor, are exposed to dust and dirt. Cleaning is essential to maintain a hygienic and aesthetically pleasing environment. People prefer to be in a clean, dust free and well-kept area as this indicates that the hygiene standards are compliant.

The DURASWEEP 115 sweeper can be used for any type of flooring and offers you the comfort of sitting on the machine and covering large areas efficiently.

INDUSTRIAL

HOW IT WORKS

CLEANING
PATH
115 cm

HOPPER
CAPACITY
62 l

COVERAGE
PERFORMANCE
6200 m²/h

Cartridge filter

6 cartridges placed vertically for greater efficiency

Control lever

Ergonomic and vibration free to aid brush management.

Work lights*

Powerful light for working at night.

Electrowelded frame

Robust and reliable construction to last a long time.

Parking brake

With pedal to park safely on slopes.

Pedal flap

To facilitate the collection of dirt.

Collection bin

Easily removable and can be emptied quickly.

* Optional

Everything under control.

The DURASWEEP 115 control panel is easy, intuitive and all functions can be controlled directly from the driving position.

The seat is placed strategically so the driver can see the front brush which gives good visibility on the work area. This helps with precision work when cleaning flush with the wall.

Loaded, but light.

The wheelbarrow-shaped collection bin helps you to transport large volumes of waste easily and efficiently. The bin tilts making it simple to empty. The collection bin can also be completely removed from the steel support for ease of emptying.

Record pit stop.

All parts that require daily maintenance have been designed for easy access and quick cleaning. The batteries under the hood are easily accessible. The central brush can be removed without the use of tools once the side panel has been removed. To remove the front brush, simply unscrew a hand wheel.

DISCOVER THE OTHER MODELS OF THE DURASWEEP RANGE

MANUALS

They are the non-motorized manual sweepers ideal for small outdoor environments.

50/70

Ideal sweepers for small areas. Available in battery or petrol powered versions.

130

Is the large ride-on sweeper, available in battery or petrol version.
